Universal One-Man Movable Glass Table

Model: 1-MAN-TBL

Designed for One-Person Glass Sanding and Edge Finishing

The PST Universal One-Man Movable Glass Table is designed to make sanding large glass lites safer, easier, and more efficient. By supporting the weight of the glass while allowing smooth movement along a guide rail, the table enables a single operator to control pressure against the sanding belt without lifting or manually supporting the glass. Its carpeted surface and pop-up ball casters protect the glass while simplifying rotation and handling during edge finishing.

Features & Benefits

- Designed for one-person operation when sanding large glass lites.
- Compatible with virtually any upright belt sander.
- Rolling guide rail allows smooth, controlled movement during sanding.
- Supports the weight of the glass, reducing operator fatigue.
- Carpeted tabletop protects glass from scratches.
- Four pop-up ball casters allow easy rotation for sanding all edges.
- Adjustable leg height accommodates different belt sander configurations.
- Heavy-duty construction provides stable, reliable support during operation.

Technical Highlights

- Table Top Size: **36" × 60" (914 × 1,524 mm)**
- Guide Rail Length: **156" (3.96 m)**
- Adjustable Height: Fits most upright belt sanders
- Surface: Carpeted with pop-up ball casters
- Operation: Manual rolling support table

Typical Applications

- Edge sanding of large glass lites
- Glass fabrication and finishing
- Custom glass production
- Repair and specialty glass shops

Why Choose the PST Universal One-Man Movable Glass Table?

- Allows one operator to safely sand large glass panels.
- Reduces lifting, strain, and operator fatigue.
- Improves control and consistency during edge finishing.
- Protects glass surfaces while simplifying handling and rotation.
- A versatile addition to virtually any upright belt sanding station.

Safety Note: Always wear appropriate personal protective equipment (PPE) and follow all safety procedures when operating power tools and handling glass.
